Based at Rugby Police Station, the Rugby Rural North Safer Neighbourhood Team focus on providing a dedicated support and resolution role, working with partner agencies and individuals within the community to identify and solve concerns that affect their locality.

Our policing area has strategic road links with the M6, A5 and M69 passing through. Local officers, with support tackle the criminals that travel those routes with a view to making communities safer from the threat of harm. The area is mostly made up of rural and village communities which bring their own unique demands.

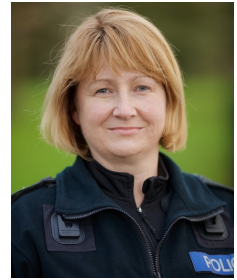

We focus work around high risk and prolific offenders and our Neighbourhood Teams will:

- Engage with communities and partners to innovate, identify opportunities and create sustainable solutions to local problems.
- Work with partners and communities to tackle the harm caused by crime and anti-social behaviour.
 - Be visible, accessible and accountable to local communities.
 - Engage with the Community Forum process and address priority concerns.
- Seek to identify those at most risk of harm and support them through appropriate interventions.
- Engage with young people and deliver prevention and early intervention activities in partnership with local schools.

Introduction

Welcome to the February edition of the Rugby Rural North SNT newsletter. As you will see, it has been a very busy start to 2018 with lots going on but some equally great results to report. On a more local context, June will see the implementation of a new SNT operating model. These changes are part of a wide-ranging review into neighbourhood policing in Warwickshire. More details will be communicated in due course.

What your team has been up to this month?

Vehicle Crime

The Rugby SNT have been working really hard to reduce the recent spike in car crime. As well as other measures, we have been handing out free car crime prevention packs to motorists at Coombe Abbey this month. These packs contain some brilliant goodies including stickers, ice scraper, sat nav wipe and anti-theft registration plate screws. If you feel that you or your community would benefit from one of these packs, please get in touch.

Rural PCSO's provided with new Property Marking Kits

The Rugby Rural PCSO's have been provided with property marking kits by Warwickshire Rural Watch. This helps the team to continue offering a unique service in the rural area so that the community can have their tools and electrical goods marked. PCSO Havelock says "Security marking your valuable property can help discourage thieves as it makes the items hard to sell on. It also helps when we recover property and allows us to return the items back to you if they are lost or stolen." PCSO Banks advises 'that you should mark your property with your postcode, we advise either a permanent marker pen

or a product like we use called Cremark. We can also supply invisible UV pens as well as suggesting forensic marking kits like that supplied by Smartwater'. Some other tips are to take photographs of your property and also register your property at www.immobilise.com. This may take some time but may also help if you do fall victim to crime. If you would like the team to mark your property please contact the team on the below details.

Eden Park Neighbourhood Watch

Eden Park have set up their Neighbourhood Watch Scheme this month and will be promoting this 24th February 2018. Rugby Rural North SNT will be at hand on that day with Rural Watch providing property marking and Crime Prevention.

Holiday crime prevention box

PCSO Baile-Crabtree and PCSO Banks have launched the village Holiday Crime Prevention Box for Rugby Rural North. Warwickshire Police, Warwickshire Police Crime Commissioner, Warwickshire Rural Watch and Rugby Community Safety Partnership together have put a box together to support Warwickshire Residents when they are on holiday. The box contains security products that are designed to help secure your property whilst you are away. The box comes with instructions and other tips that you can complete. If you are going away and would like use of the Holiday Box please contact the team at rrn.snt@warwickshire.police.uk. If you are off on holiday and would like to make use of the box please feel free to contact PCSO Baile-Crabtree or PCSO Banks at the above email address.

Burglar caught in the act.

A Romanian male from the Birmingham area was arrested this month, having been caught in the process of a burglary on the Eden Park estate. He was detained by the brave property owner until police arrived. The male was charged with 4x burglary dwelling offences on Eden Park and Coton Park and detained for court.

Property marking Event

Rugby Rural North will holding a property marking event at the Brewers Faye pub between 09:00-11:00hrs Sunday 11th February 2018. This will be a great chance to have your new bicycles coded with bike register marking system. We will have some Cre-mark marking equipment also, we will be able to mark items such as power tools and gardening equipment. This will also be a good chance to see your team and discuss any issues you may have.
