- *How to contact your local police

Based at Rugby Police Station, the Rugby Rural North Safer Neighbourhood Team focus on providing a dedicated support and resolution role, working with partner agencies and individuals within the community to identify and solve concerns that affect their locality.

Our policing area has strategic road links with the M6, A5 and M69 passing through. Local officers, with support tackle the criminals that travel those routes with a view to making communities safer from the threat of harm. The area is mostly made up of rural and village communities which bring their own unique demands.

We focus work around high risk and prolific offenders and our Neighbourhood Teams will:

- Engage with communities and partners to innovate, identify opportunities and create sustainable solutions to local problems.
- Work with partners and communities to tackle the harm caused by crime and anti-social behaviour.
 - Be visible, accessible and accountable to local communities.
 - Engage with the Community Forum process and address priority concerns.
- Seek to identify those at most risk of harm and support them through appropriate interventions.
- Engage with young people and deliver prevention and early intervention activities in partnership with local schools.

Rugby Rural North Policing Priorities

The new policing priorities for the coming months are

- 1 – To conduct speed checks in Wolvey village
- 2 – To conduct hi visible patrols around rural car park to prevent thefts from vehicles and theft vehicles.

Our actions so far with the policing priorities are:

Speed checks in Wolvey

Speed checks completed on the 28/10/2018 on Coventry Road, from 1.55pm till 2.25pm. Approximately 42 vehicles entered the village from Coventry and 37 vehicles left the villages. Vehicles exceeding the 30mph speed limit were 35mph x 1 and 38 mph x 1.

Speed checks completed on 31/10/2018 between 1.40pm and 2.18pm on Coventry Road. Approximately 94 vehicles entered the village from the Coventry direction and 66 vehicles left the village. Vehicles exceeding the 30mph were 34mph x 1, 35mph x1, 36mph x 1.

Four warning letters were sent out reference the last 2 speeding operations.

Hi visible patrols around rural car parks.

Patrols have been carried out on the 28/10/18, no concerns.

Patrols have been carried out on the 03/11/18, no concerns.

Good News Stories

Newton - Vehicle Crime and Attempted Burglaries - Enquiries are still on going due to information and CCTV received from local resident's suspects have been identified and investigations are still in progress.

A stolen BMW from Shilton has been recovered from a premise in Willoughby.

Traffic Offence Reports for October

During the month of October 3 TOR's (Traffic Offence Reports) have been completed for dangerous parking or causing an unnecessary obstruction around The Rugby Free School, on Central Park Drive. These offences are followed up with £30:00 fines.

Seven TOR's have been issued for bad parking on the Coton Park Estate, Rugby.

Two vehicles have been seized for being notified off road, but parked on the public highway. One was on the Eden Park Estate and one on the Coton Park Estate.

As a police force, we will deal with parking issues that cover:

- Obstruction, this may include pavement parking
- Dangerous parking, this may include pavement parking
- Bends
- Brows of hills
- Dropped kerb access (as well as the council)
- One way traffic
- Box junctions
- Access only (unless access to premises is required)
- White hatched areas

Action Fraud Alerts

Cyber criminals send victims their own passwords in extortion scam

Cyber criminals are attempting to blackmail unsuspecting victims by claiming to have used the victims' password to install spying malware on the victims' computer. The criminals claim they've recorded videos of the victim watching adult material by activating their webcam when they visit these websites. What makes this scam so convincing is that the email usually includes a genuine password the victim has used for one of their online accounts. We believe criminals obtain the passwords from data breaches.

What to do if you get one of these emails?

Don't reply to the email, or be pressured into paying. The police advise that you do not pay criminals. Try flagging the email as spam/junk if you receive it multiple times. Perform a password reset as soon as possible on any accounts where you've used the password mentioned in the email. Always use a strong, separate password for important accounts, such as your email. Where available, enable two-factor authentication (2FA). Always install the latest software and app updates. Install, or enable, anti-virus software on your laptops and computers and keep it updated.

If you receive one of these emails, report it to Action Fraud's phishing reporting tool. If you have received one of these emails and paid the ransom, report it to your local police force.

Clifton Community Speed Watch Group

A new Community Speed Watch group has been set up in Clifton upon Dunsmore. The scheme is being supported by the Safer Roads Partnership team within Warwickshire Police and West Mercia Police, but will be managed and run by volunteers in the village. We did have a group set up in Clifton a few years ago, but the new team have had refresher training and been out on the roads already.

What is Community Speed Watch? Community Speed Watch schemes involve trained volunteers from the community monitoring the speeds of vehicles with approved, hand-held speed measurement devices. Where vehicle speeds are found to be inappropriate, a letter is sent to the registered keeper by the police with the aim of encouraging them to reduce their speed when driving in the future.

The aim of the scheme is not to catch as many speeding drivers as possible, but to encourage them to drive within the speed limit. Feedback from the community suggests that motorists visibly slow down when they see high-visibility jackets by the roadside, which is a positive effect in itself.

A Community Speed Watch scheme is initiated when 'speeding traffic' has been identified as a community road safety concern by a parish council, safer neighbourhood team or community forum. However, a number of criteria must be met before a scheme can be established:

The area must have a 30mph or 40mph speed restriction.

No other enforcement activity is currently in place.

There must be at least six volunteers in each Community Speed Watch scheme.

Speed checks must be conducted by at least three volunteers at any one time.

If you are interested in setting up a group, contact PCSO 6152 Sharon Bailie-Crabtree and we can discuss the next steps, tel 01788 853851.
